Dear Admiral Hillenkoetter:

There is enclosed for your confidential use copy number 6 of a memorandum entitled "Hungarian Activities in the United States," dated July, 1949.

This memorandum concerns the extent of Hungarian influence and activity in this country. It may be of interest to you in view of the attention which has been directed toward Hungary in recent months due to her Communist-dominated government and her much-publicized conviction of Cardinal Joszef Mindszenty on charges of treason, espionage and black-marketeering.

With assurances of my best regards,

Sincerely yours,

s/ J. Edgar Hoover
